Post-Cosmelan Treatment Instructions

- Always avoid sun exposure as much as possible, wear a hat, re-apply sunscreen (make this your mantra!).
- Do NOT get another treatment or procedure (including peels, facials, or microdermabrasion) on the treated area for 30 days following.
- While maintaining on Cosmelan 2, discontinue its use for 5 days prior to waxing, and do not restart treatment until 3 days after waxing. Threading can be done normally.

Day 1

Wash off mask at designated time given by provider with gentle cleanser and water. Apply Hydravital Factor K cream to treatment area overnight.

Day 2

Apply Hydravital Factor K cream.
Then apply sunscreen during the day.

Day 3 - 30

Cleanse first with gentle cleanser, then Start Cosmelan 2, apply in morning and evening. Apply Hydravital Factor K cream 15 minutes after Cosmelan, then Apply sunscreen last (in the morning). Schedule your 1 month follow up treatment to be done in office. DO NOT pick or peel your skin while it comes off, it may lead to scarring.

Month 2 - 6

Cleanse first with gentle cleanser, then apply Cosmelan 2 once a day in the evening. Apply Hydravital Factor K cream 15 minutes after Cosmelan 2. Apply sunscreen every morning.
