

Thank you for booking with us at The Treatment. We look forward to seeing you!

## **Pre-Microneedling Treatment Instructions**

- Avoid Accutane for the past 6 months.
- Avoid retinoids, topical antibiotics, exfoliants, hydroquinone, sunburn, and benzoyl peroxide 3 days prior to procedure.
- Avoid IPL/Laser procedures 7 days prior.
- No waxing, depilatory creams or electrolysis 5-7 days prior to the peel.
- No shaving the day of the procedure.
- On the day of your Treatment: active cold sores, herpes simplex, or warts in the area to be treated, open sores, sunburned, or excessively sensitive skin within the application area, pregnancy, dermatitis or inflammatory rosacea.
- Do not take any anti-inflammatory medications such as ibuprofen, Motrin or Advil. (These agents will interfere with the natural inflammatory process that is critical and responsible for your skin rejuvenation)
- Avoid sun tanning (ALWAYS!!) and prolonged exposure to direct sunlight, never leave home without sun protection.

Please let us know if you have any questions or concerns prior to your appointment.
