

Thank you for visiting us at The Treatment.
We look forward to seeing you again!

Post-Kybella Treatment Instructions

- After the treatment, DO hold ice packs on the areas that are treated with Kybella gently for a few times that day.
- Treated areas may be red, inflamed, swollen, and bruised for the first 2-7 days.
- DO resume all normal activities including exercise as long as it is comfortable for you.
- DO take ibuprofen, Motrin, or Advil if needed for discomfort after the treatment.
- If bruising occurs, it is ok to cover with makeup.

*** Remember to schedule your next appointment in 6-8 weeks. Kybella requires 3- 6 sessions for optimal treatment. We want you to have an outstanding result!

If you have any questions or concerns, please do not hesitate to reach out by calling us (909) 625-7546 or emailing hello@getthetreatment.com.
