

Thank you for booking with us at The Treatment. We look forward to seeing you!

Pre-Consultation Treatment Instructions

Please arrive to your Consultation appointment with a cleansed face, without makeup, SPF is OK.

For Injectable Consultations, during this consultation, we can talk about everything from Botox, fillers, chemical peels, skin care products and everything in-between.

If you would like to proceed with treatment, we can typically accommodate you at the time of your appointment. Consult fee will be applied to any services performed. (fee not applied to skin care product)

For best results and to reduce the risk of complications, it is recommended to avoid sun and UV exposure and discontinue any topical over-the-counter medications 3-7 days prior to any treatments.

For Acne Consultations, an in-depth evaluation of your acne issues. You will be provided a thorough examination of your skin determining what type of acne you have and what treatments are best suited for your skin. A provider will prescribe necessary medications as well as discuss treatments and skin care products that will give you the best results.

If you have any questions or concerns, please do not hesitate to reach out by calling us (909) 625-7546 or emailing hello@getthetreatment.com.
