

Thank you for booking with us at The Treatment. We look forward to seeing you!

### Pre-Kybella Treatment Instructions

- The ideal time to schedule this procedure is at LEAST 4 weeks before a big event.
- DO take ibuprofen or Motrin, or Advil 600mg about 1 hour before your appointment.
- DO inform our office if you have a history of DIFFICULTY SWALLOWING, medication allergies, history of anaphylaxis, and any other medical problems.

You will be swollen immediately after treatment and up to 1 week after, so make sure to plan your social calendar accordingly. Get those scarfs and turtlenecks ready!

If you have any questions or concerns, please do not hesitate to reach out by calling us (909) 625-7546 or emailing [hello@getthetreatment.com](mailto:hello@getthetreatment.com).
